Certificate

Delay in certification of completion of the audit

In our report dated 2 February 2024, we explained that we could not formally conclude the audit and issue an audit certificate until the NAO as group auditor has confirmed that no further assurances will be required from us as component auditors of Welwyn Hatfield Borough Council. This confirmation has now been received.

No other matters have come to our attention since that date that would have a material impact on the financial statements on which we gave an unqualified opinion and no matters have come to our attention that would have resulted in a different opinion on the financial statements or additional exception reporting on significant weaknesses in the Corporation's value for money arrangements.

We certify that we have completed the audit of the accounts of Welwyn Hatfield Borough Council in accordance with the requirements of the Local Audit and Accountability Act 2014 and the Code of Audit Practice issued by the National Audit Office.
