The strategy is updated regularly, but these changes are not made on the document. Instead, clubs can complete the commentary form to provide comments about any changes or incorrect information, which is then reviewed by the operations group. We keep track of all the proposed changes and requests, and listed below is what has been agreed by the operations group.

Recommendation 3A</p>	<p>Facilities at Gosling Sports Park comprise 5 badminton courts</p> <p>Hatfield Leisure Centre and Gosling Sports Park both have 5-court sports halls. Queenswood School is an 8-court hall.</p> <p>Add Badminton, because: Hertfordshire Junior Badminton Association's (county) squads at U10, U12, U14, U16 and U18 practice and have matches and tournaments at HSV and Birchwood Leisure Centre and Queenswood school. Hertfordshire Badminton Association has 3 senior and 5 master squad' practices, matches and tournaments at HSV, Birchwood Leisure Centre and Queenswood school. Both HJBA and HBA have teams in national premier leagues (Olympian, Jo Goode, plays in the 1st team, as did Olympian Gail Emms until 3 years ago): Paralympians, Gobi Ranganathan and Martin Rook, also use local facilities with HBA support (Martin Rook is currently assessed as a Tokyo participant).</p> <p>There are no badminton courts open weekdays in Welwyn Garden City.</p> <p>This appears to be an error. Besides Birchwood (4 courts) there are: Hatfield Leisure Centre (5 courts), Jim MacDonald centre (2 courts) and Herts Sports Village (12 courts), a total of 23 courts (not counting David Lloyd) Furthermore, these sports halls are open during the working week in Hatfield, whereas Welwyn Garden City has none. This latter very important observation does not appear to have been drawn out in the document.</p>
