There was an imbalance in the number of electors in each polling district within the Hollybush Ward with electors having to travel further to their polling station to vote than they needed to. A number had to travel to King George V Community Pavilion polling station to vote when it would have been more appropriate to vote at a polling station nearer to them - either Creswick School in polling district BCC or Calvert House Community Centre in polling district BCA.

Consideration was given to ensure that there are, as far as possible, an equal number of voters going to each of the polling stations within Hollybush ward, and so far as was reasonable and practicable, accessible to all electors including those who are disabled. To redress this imbalance, it was approved that electors will now vote at the polling stations shown in these lists and maps.

The changes above have been approved.
