Given the increasing number of electors in the northern part of Peartree Ward and the likely planning of new residential builds in this area, a new polling district BBC was proposed. All roads northeast of Broadwater Road were moved from polling district BBA to the new polling district BBC. To equalise the electorate as far as possible, some streets from polling district BBA have been moved into polling district BBB, and some streets from polling district BBB have been moved into polling district BBA. It was approved that electors will now vote at the polling stations shown in these revised lists and maps.

Peartree School is now unavailable, and the new polling station is located at WGC & Hatfield Sea Cadets, 64-68 Bridge Road East, WGC AL7 1JU. This will be a double polling station and electors from polling districts BBA and BBC will be voting at this new station. Consideration was given to ensure that so far as is reasonable and practicable, the new polling station is accessible to all electors including those who are disabled.

The changes above have been approved.
