

PUBLICATION OF DECISION LIST NUMBER 12/15-16

MUNICIPAL YEAR 2015/16

Date Published: 11 April 2016

This document lists the decisions taken by the Cabinet at its meeting on 5 April 2016. The list covers key and non-key decisions. These decisions will come into force within ten working days of the date of this document (i.e. 22 April 2016) unless the appropriate Overview and Scrutiny Committee calls a decision in.

Cabinet decisions are subject to pre-implementation review through the following call-in procedure:-

Decisions that involve expenditure over £100,000 can be called in. "Call-in" requires at least a quarter of the Members of the appropriate Overview and Scrutiny Committee to request the "call-in", in writing, within four working days of the publication of the decision by the Cabinet, to be effective. Where the appropriate Committee has been previously involved in the decision which is being "called-in", the request should be made by Members of one of the other two Overview and Scrutiny Committees. A Notification of Call-in Form can be obtained from and should be completed, signed and returned to Graham Seal, Governance Services Manager. The meeting of the Overview and Scrutiny Committee to consider the "called-in" item(s) must take place within twenty working days of the publication of the decision by the Cabinet. The Call-In procedure does not apply where the decision being taken by the Cabinet is urgent.

Where an Overview and Scrutiny Committee is of the opinion that an executive decision which relates to an area covered by that Committee yet to be made or made but not yet implemented would be, contrary to the policy framework, or contrary to or not wholly in accordance with the Council's budget, then it should seek advice from the Monitoring Officer and/or Director (Finance and Operations).

If you have any queries or wish to obtain further report information or information on a decision please refer to:
