

Wells Farm (HS30)

Green Belt Boundaries for HS30 in isolation

LEGEND

- 1** Improved and reinforced landscape screening as double staggered hedge planting interspersed with specimen trees.
- 2** Fences to individual plot boundaries with double staggered hedges on boundary interspersed with trees and planting within proposed gardens.
- 3** Proposed mixed tree planting and underplanting to fill any gaps along Northaw Road East
- 4** Improvements to existing planting along western boundary (currently defined by access road and Hemshill Brook) with densification and underplanting
- #** Photo view (on following page)
